*Sachi A. Hamai*  
SACHI A. HAMAI  
EXECUTIVE OFFICER

Dear Supervisors:

**RECOMMENDATION TO AWARD GENERAL RELIEF OPPORTUNITIES FOR WORK PROGRAM  
SUPPORT SERVICES CONTRACT TO LOS ANGELES COUNTY OFFICE OF EDUCATION  
(ALL DISTRICTS – 3 VOTES)**

**SUBJECT**

The Department of Public Social Services (DPSS) seeks approval of a new three-year contract with Los Angeles County Office of Education (LACOE) to provide General Relief Opportunities for Work (GROW) Program Support Services. These services assist the Department in providing vital job search and job placement services to the County's General Relief (GR) Program participants, and assist the participants in obtaining employment.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Delegate authority to the Acting Director of DPSS or her designee to prepare and execute a contract, in substantially similar form as Enclosure I with LACOE effective July 1, 2012 at a maximum contract amount of \$7,498,530 for a three-year period to provide GROW Program Support Services. The maximum contract amount will be partially offset by federal funds allocated for the CalFresh Employment and Training (CFET) program. Funding for this contract is included in the DPSS' Fiscal Year (FY) 2012-13 Budget and funding for future years will be included in the Department's budget requests.
2. Delegate authority to the Acting Director of DPSS or her designee to prepare and execute amendments to the contract that result in any decrease, or any increase of no more than 25 percent of the maximum contract amount when the change is necessitated by additional and necessary services that are required in order to comply with changes in federal, State or County requirements. The approval of the Chief Executive Officer (CEO) and County Counsel as to form will be obtained prior to executing such amendments, and the Acting DPSS Director will notify the CEO in writing

within ten business days after execution.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The recommended action will allow DPSS to continue vital GROW Program Support Services such as training and technical support for GROW service providers and DPSS staff, and specialized job training classes to the County's GROW program participants. This includes specialized classes such as Security Guard training, Office Occupations/Computer training and Career Opportunities Resource and Employment/Pathways to Success training. The GROW program offers employment and training services to employable and employable with accommodations GR participants and is designed to help them obtain jobs and achieve self-sufficiency.

The caseload of employable GR participants continues to increase. The Department is requesting delegated authority to increase the contract amount by up to 25 percent in order to provide flexibility to increase service locations and/or develop additional curricula.

### **Implementation of Strategic Plan Goals**

The recommended actions are consistent with the principles of the Countywide Strategic Plan Goal #1: Operational Effectiveness: Maximize the effectiveness of processes, structure, and operations to support timely delivery of customer-oriented and efficient public services.

### **FISCAL IMPACT/FINANCING**

The maximum cost of the GROW Program Support Services contract for the three-year period is \$7,498,530. The maximum annual cost of the contract is \$2,499,510. The cost of the contract is partially offset by federal funds allocated for the CFET Program. The annual CFET revenue is estimated at \$1,139,777. The remaining funding will be net County cost (NCC). The annual NCC is estimated at \$1,359,733.

Funding for FY 2012-13 is included in the Department's Budget. Future years' costs will be included in the Department's annual budget requests.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The contract provides for termination by the County upon 30 day written notice, should termination be in the County's best interest. The agreement also contains a provision which limits the County's obligation if funding is not appropriated by the State and by the Board of Supervisors.

The award of this contract will not result in unauthorized disclosure of confidential information and will be in full compliance with federal, State and County regulations.

The Contractor is in compliance with the Jury Service Program.

The Living Wage Ordinance does not apply because the recommended contract is a non-Prop A contract.

The CEO and County Counsel have reviewed this Board letter. The sample contract has been approved as to form by County Counsel.

## **CONTRACTING PROCESS**

The recommended contract was procured in accordance with California Department of Social Services Operations Manual (Section 23-650.1.12) which allows for non-competitive contracting with public education agencies. In accordance with the Board Policy 5.100, for Sole Source Contracts, enclosed is the Sole Source Checklist (Enclosure II) for the GROW Program Support Services Contract. LACOE has provided these services for over ten years.

## **CONTRACT PERFORMANCE**

The expected performance outcome for the Program Support contract is to prepare Los Angeles County GROW participants to seek and obtain unsubsidized employment. The minimum placement rates for the specialized job training classes are as follows: 1) a 25 percent placement rate per quarter for Fastrak; 2) a 35 percent rate per quarter for Office Occupations/Computer Training classes; and 3) an 80 percent placement rate per quarter for the participants starting Security Guard training.

The monitoring for the current contract is performed on a semi-annual basis. Based on the results of monitoring for the period of July 1, 2011 through December 31, 2011, overall, LACOE is in compliance with the contract requirements. The unemployment rate in the County has increased dramatically since the current contract was awarded in 2006 when placement rates were established. As a result, the competition for available jobs has also increased. Despite the increased competition for available jobs, for the most part LACOE continues to meet the contractually prescribed full-time placement goals.

## **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The recommended action will permit the uninterrupted provision of job services to GROW participants. The recommended action will not infringe on the role of the County in relationship to its residents, and the County's ability to respond to an emergency will not be impaired. There is no change in risk exposure to the County.

## **CONCLUSION**

Upon Board approval, the Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board letter to DPSS.

The Honorable Board of Supervisors

6/12/2012

The COUNTY will reconcile monthly payments to the CONTRACTOR's quarterly reconciliation invoice representing CONTRACTOR's actual costs as provided under PART 5.0 CONTRACT SUM, Section 5.5 Invoices and Payments, herein.

**5.6.3** CONTRACTOR may, at CONTRACTOR's discretion, reallocate funds among each of the budget categories as shown in Exhibit B, CONTRACTOR's Budget, to a maximum of 10 percent of each budget category and shall not exceed the Annual Maximum amount as stated in Section 5.1, Maximum Contract Amount. **PERFORMANCE REQUIREMENTS SUMMARY**

## **PERFORMANCE REQUIREMENTS SUMMARY (PRS)**

### **T.1 INTRODUCTION**

This PRS displays the major services that will be monitored during the term of the Contract. The columns on the PRS chart indicates the required services; the standards for performance; the maximum deviation from standard before service will be determined unsatisfactory; the COUNTY's preferred method of monitoring; and the unsatisfactory performance indicator which may be assessed if the service is not satisfactorily provided.

All listings of required services or Standards used in the PRS are intended to be completely consistent with the main body of this Contract and Statement of Work, and are not meant, in any case, to create, extend, revise or expand any obligation of CONTRACTOR beyond that defined in the main body of the Contract and Statement of Work. In any case of apparent inconsistency between required services or Standards as stated in the main body of the Contract, Statement of Work and the PRS, the meaning apparent in the main body and Statement of Work will prevail. If any required service or Standard seems to be created in the PRS which is not clearly and forthrightly set forth in the main body or Statement of Work, that apparent required service or Standard will be null and void and place no requirement on CONTRACTOR and will not be the basis for penalties.

The COUNTY expects a high standard of CONTRACTOR performance for the required service. DPSS will work with the CONTRACTOR to help resolve any areas of difficulty brought to the attention of the COUNTY Contract Administer (CCA) by CONTRACTOR before the allowable deviation from the acceptable Standard occurs. However, it is the CONTRACTOR's responsibility to provide the services set forth in this Contract and summarized in the PRS. This section does not modify or replace CONTRACTOR's obligation to provide expert professional services to the COUNTY.

### **T.2 PERFORMANCE REQUIREMENTS SUMMARY CHART**

The Performance Requirements Summary Chart is at the end of this exhibit and:

- T.2.1 Provides the required services and cites the Section or Paragraph where referenced (Column 1 of chart).
- T.2.2 Defines the Standards of Performance for each of the required service (Column 2 of chart).

- T.2.3 Shows the maximum allowable degree of deviation from perfect performance or Acceptable Quality Level (AQL) for each required service that is allowed before the COUNTY assesses penalty amounts or points (Column 3 of chart).
- T.2.4 Indicates the method of monitoring the required services (Column 4 of chart).
- T.2.5 Indicates the penalties/fees to be assessed for exceeding the AQL for each listed required service (Column 5 of chart).

### **T.3 QUALITY ASSURANCE**

Each month CONTRACTOR performance will be compared to the contract standards and acceptable quality levels (AQL's) using the Quality Assurance Monitoring Plan (QAMP). COUNTY may use a variety of inspection methods to evaluate the CONTRACTOR's performance. The methods of monitoring that may be used, but are not limited to, are as follows:

- T.3.1 One hundred percent inspection of items, such as reports and invoices, on a periodic basis (daily, weekly, monthly, quarterly, semi-annually or annually) as determined necessary to assure a sufficient evaluation of CONTRACTOR performance;
- T.3.2 For random sample tables/methods to be used by COUNTY, refer to book entitled Handbooks Sampling for Auditing and Accounting (2<sup>nd</sup> Edition) by Herbert Arkin;
- T.3.3 Review of Reports, Statistical Record and Files maintained by the CONTRACTOR;
- T.3.4 On-site evaluations;
- T.3.5 Participant interviews; and
- T.3.6 Review of Complaints or justification of number of complaints.

### **T.4 CONTRACT DISCREPANCY REPORT (CDR)**

Performance of a listed service is considered acceptable when the service expectation is met and the number of discrepancies found during contract monitoring procedures does not exceed the number of discrepancies allowed by the AQL.

When the performance is unacceptable, the CCA will issue a Contract Discrepancy Report (CDR), set forth in Exhibit A, Technical Exhibit 2 to the CONTRACTOR's Contract Manager. The Contract Manager is required to:

T.4.1 Respond to the CDR within ten (10) workdays.

T.4.2 Provide a written explanation stating the reasons for the unacceptable performance, how the performance will resume at an acceptable level, and how recurrence of the problem will be prevented.

The CCA will evaluate the CONTRACTOR's explanation and determine if any financial penalties will be assessed.

## **T.5 CRITERIA FOR ACCEPTABLE OR UNACCEPTABLE PERFORMANCE**

For areas measured by sampling, COUNTY will determine the number of defects that renders a service unsatisfactory as follows:

T.5.1 Select a sample at random so that it will be a representation of the entire population.

T.5.2 Compare the sample to the Standard, and the conclusions are made about CONTRACTOR performance for the whole group.

T.5.3 The random sampling plan includes the following information:

*\*Acceptable Quality Level (AQL)* - The maximum percent of defects that can be accepted and still meet the contract Standard for satisfactory performance; *Lot Size* - Total number of unit or services to be provided;

*Sample Size* - Number of units to be checked in a given time period; and

*Acceptance/Rejection Numbers* - The numbers which indicate whether the lot is acceptable or unacceptable.

\*The AQL for each sample is taken from the PRS. The lot size is determined by how often the CONTRACTOR will provide a service during the month. To ensure each service has an equal chance of being selected, a random number table is used to determine the sample.

## **T.6 REMEDY OF DEFECTS**

Notwithstanding a finding of unsatisfactory service and assessment of Unsatisfactory Performance Indicators (UPIs), CONTRACTOR must, within ten (10) business days, remedy any and all defects in the provision of CONTRACTOR's services and, as deemed necessary by the CCA, perform such services again at an acceptable level.

## **T.7 UNSATISFACTORY PERFORMANCE REMEDIES**

When CONTRACTOR performance does not conform with the requirements of this Contract, COUNTY shall have the option to apply any or all of the following nonperformance remedies:

- T.7.1** Require CONTRACTOR to implement a formal corrective action plan, subject to approval by COUNTY. In the plan, CONTRACTOR must include reasons for the unacceptable performance, specific steps to return performance to an acceptable level, and monitoring methods to prevent the recurrence of unacceptable performance.
- T.7.2** Assess deductions in the amount of \$25 per point for each unsatisfactory performance indicator (UPI) point exceeding 300 points during each quarter of the Contract for the Measurable Outcomes described in Section 5.0, not to exceed \$5000 in a given quarter.
- T.7.3** Assess deductions in the amount of \$25 per point for each unsatisfactory performance indicator (UPI) point exceeding 300 points during each quarter of the Contract for the Performance Measures described in Performance Requirements Summary Chart, not to exceed \$5000 in a given quarter.
- T.7.4** Reduce, suspend, cancel, or terminate the Contract for systematic, deliberate misrepresentations or unacceptable levels of performance.
- T.7.5** Failure of CONTRACTOR to comply with or satisfy the request(s) for improvement of performance or to satisfactorily perform the unacceptable work within ten (10) workdays shall constitute authorization for COUNTY to have the service(s) performed by others. The entire cost of such work performed by others as a consequence of CONTRACTOR's failure to perform said service(s) satisfactorily, as determined by COUNTY, shall be credited to COUNTY on CONTRACTOR's future invoice. This section does not preclude COUNTY's right to terminate the Contract upon thirty (30) days written notice with or without cause, as provided for in Section 8.43, Termination for Convenience of COUNTY.

**JURY SERVICE ORDINANCE**

**Title 2 ADMINISTRATION**  
**Chapter 2.203.010 through 2.203.090**  
**CONTRACTOR EMPLOYEE JURY SERVICE**

**2.203.010 Findings.**

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the County of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the County of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002).

**2.203.020 Definitions.**

The following definitions shall be applicable to this chapter:

**2.203.070. Exceptions.**

- A.** Other Laws. This chapter shall not be interpreted or applied to any contractor or to any employee in a manner inconsistent with the laws of the United States or California.
- B.** Collective Bargaining Agreements. This chapter shall be superseded by a collective bargaining agreement that expressly so provides.
- C.** Small Business. This chapter shall not be applied to any contractor that meets all of the following:
  - 1.** Has ten or fewer employees during the contract period; and,

### Part I: Jury Service Program is Not Applicable to My Business

My business is a small business as defined in the Program. # Safely Surrendered Baby Law

## What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

In Los Angeles County: 1 877 BABY SAFE 1 877 222 9723

[www.babysafela.org](http://www.babysafela.org)

## How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

## What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

## Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

## Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

## Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

## What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

## What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

## Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

## A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

# Ley de Entrega de Bebés Sin Peligro

## ¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

*Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmelo que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.*

## ¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

## ¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

## ¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

## ¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

## ¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

## ¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

## ¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

## ¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

## Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

### **Notice 1015**

(Rev. December 2010)

### **Have You Told Your Employees About the Earned Income Credit (EIC)?**

---

#### **What Is the EIC?**

The EIC is a refundable tax credit for certain workers.

#### **Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

**Note.** You are encouraged to notify each employee whose wages for 2010 are less than \$48,362 that he or she may be eligible for the EIC.

#### **How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2011.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

#### **How Will My Employees Know If They Can Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

#### **How Do My Employees Claim the EIC?**

Eligible employees claim the EIC on their 2010 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2010 and owes no tax but is eligible for a credit of \$829, he or she must file a 2010 tax return to get the \$829 refund.

#### **Can My Employees Get Advance EIC Payments?**

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their 2011 return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

## SOLE SOURCE

**DEFINITION:** Sole source procurement of services are made without a competitive process due to circumstances that preclude the County from obtaining competition. Generally, sole source procurements occur when the procurement of a service can only be made from one provider or when a particular provider is required.

**POLICY:** The County may award sole source contracts only when detailed justification exists. The requesting department is responsible for providing a detailed, reasonable justification for the contract. For contract values of \$250,000 or greater, the Board must be provided with a written notice (and copy to CEO) two weeks in advance of negotiating any sole source contracts.

**PROCEDURE:** Departments shall provide documentation for each item checked below:

### SOLE SOURCE CHECKLIST

Check (√)	<b>JUSTIFICATION FOR SOLE SOURCE PROCUREMENT OF SERVICES</b>
	➤ Only one bona fide source for the service exists; performance and price completion are not available.
	➤ Quick action is required (emergency situation).
	➤ Proposals have been solicited but no satisfactory proposals were received.
	➤ Additional services are needed to complete an ongoing task and it would be prohibitively costly in time and money to seek a new service provider.
	➤ Maintenance service agreements exist on equipment which must be serviced by the authorized manufacturer's service representatives.
	➤ It is most cost-effective to obtain services by exercising an Option under an existing Contract.
	➤ It is in the best interest of the County e.g., administrative cost savings, too long a learning curve for a new service provider, etc.
√	Other reason. CDSS Regulations, Section 23-650.1.12, provide that a sole source contract can be negotiated with a public education institution, Los Angeles County Office of Education (LACOE). LACOE has the expertise and resources required to provide GROW Program Support Services, including curriculum development, operation of specialized job training, training of GROW service providers and DPSS staff, and providing technical assistance to DPSS.
